Kim....

I.....

Can't believe this.....

It's impossible!!!!

Whump!!!

Squeak!!!

Angelina, We're here....

Oh....
I'm sorry about making you drive....

No!!! It's alright!!!

Um.... Angelina....
Are you alright???
You don't look good today....

A man died....

It's weird that I feel good today....

Do you think the vision is true???

She was so confident and so cool-headed.... But she's all ruined up now....

Um....
We're not so sure that the vision have something about this murder....

Yeah....
Why???

Angelina....
You're a programmer,
right???

Wait, Vision???

Hey!!!
Wait a minute.....

Then you must know lot about computer....

Well.....I don't know lot about it but I am more interested than others.....

A computer in your dream???

Yes It was a computer.....

I'm not sure if this have something to do with thing....

But there was a computer...You know.The one with horizontal hard drive disk....

Tick!!!

Tick!!!

Tick!!!

And a small boy was using the computer.....

I think he was this size....or this size....But he was 10 years old....

He showed me something.....

But I don't remember what it was....

.....

I know that vertical hard disk driver is popular this day....But I can't be sure if the computer is old one.....Because sometime that design come out these day.....

Hmm.....there was something more.....

...

Oh!!!!The floppy disk driver!!!!

Almost all the computer have that.....

No!!!!The big one!!!

Yes!!!!5.25 inch driver!!!

Nope...

Um....Ah..... Hey!!!Wait a minute!!!

.....

Don't worry..... I'm only gonna drink a cup of tea and.....

Who would give a cup of tea????

That was probably the first offer.....

Dex....

Why are you coming here at evening now?You came here at late night before.....

And if you liked this room.You could have choose this room.You came here first...Why did you choose the next room???

Hmm....First, The reason I change the time is because I have to follow the star movement to do this cosmetrical breathe.I have to do this at lunch time sooner or later.

And reason why I didn't change the room....

You will understand this,I'm actually "protecting" the peace of this dormitory.....

Ghi....Or energy This thing have an Entrance and an Exit.

Your room is an entrance and my room is an exit.It doesn't matter who use the entrance but if normal people use the exit, Something bad will happen....

What is "something bad"?

You spend the whole night to write a report....

No...Not this!!

Or you found the love letter inside your locker and you were excited but there's a timid hairy man waiting for you at the date place....

Yes...

But...

We don't know the rule to...

Decade this...

Maybe each letter have a meaning...

Or a number. That might be related to Algebra...

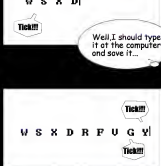

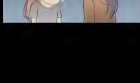

You are a member of Puzzle. Do you know how to decide things???

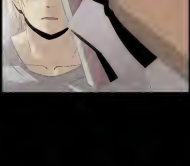

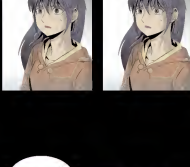

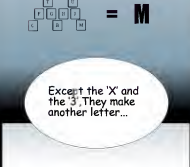

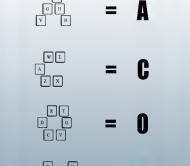

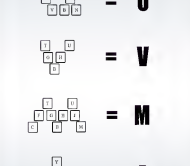

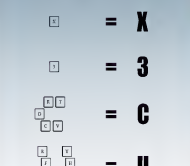

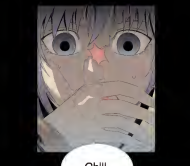

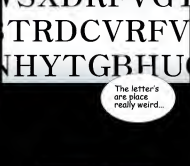

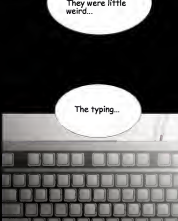

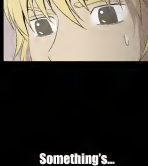

No. This need a professional knowledge to do that...

Hey... What are you talking about???

Code or whatever...

Dex left this on his MP3 to be found out by you...

Next file...
